| System                 | Code no.      |
|------------------------|---------------|
| in 4 pole system       | 09.00661.0223 |
| in 1-wire system       | 09.00661.0225 |
| with pneumatic control | 09.00661.0224 |

## Technical data

Working width: 140 mm  
Operating pressure:  
max. 3000 bar  
Speed of rotation:  
approx. 2500 r.p.m.

Weight:  
pneum. control approx. 9,3 kg  
electric control approx. 7,7 kg  
Height: approx. 174 mm  
Width incl. hand grip:  
approx. 350 mm

| Accessory                    | Code no.      |
|------------------------------|---------------|
| protection for abrasive work | 00.04877.0015 |

8 nozzle inserts Type "P"
